

James Bineau Receives Prestigious Accredited Land Consultant (ALC) Designation

November 16, 2017 Aspen - The [REALTORS® Land Institute](#) proudly announced that **James Bineau, Broker, Coldwell Banker Mason Morse**, of **Aspen Colorado**, has officially earned and joined the ranks of those holding the elite Accredited Land Consultant designation. The REALTORS® Land Institute confers its [Accredited Land Consultant \(ALC\) designation](#) to only those real estate practitioners who achieve the highest level of education, experience and professionalism. The ALC designation is recognized throughout the industry as the pinnacle of achievement for land real estate professionals. Bineau is now among the most dedicated land professionals from around the globe, joining an elite group of 470 land specialists who hold the designation across the globe. In addition to subscribing to the REALTORS® Code of Ethics, ALCs support the high standards of conduct and experience that directly relate to their specialty. As an ALC, Bineau has access to the best industry knowledge, network of fellow land professionals, and resources to help best serve his clients' best interests.

Through RLI's Land University (LANDU), **he** has gained an esteemed education to make **him** knowledgeable in all aspects of taxation, investment, brokerage, subdividing, and planning regarding agricultural, transitional, recreational, timberland, and more. This depth of knowledge translates into the highest level of service to clients, ensuring they receive the best services in the business when buying or selling a property.

James Bineau specializes in Ranches, Land and Luxury properties. Upon receiving the designation, he said, **"I am excited to be part of this great organization and to be able to offer unsurpassed service to my clients."**

The REALTORS® Land Institute provides the education, tools, services, advice and networking opportunities that are the foundation for all land professionals to become the best in the business—to become an Accredited Land Consultant.
